- Strategic Planning
- Logistics and Supply Chain Management
- Risk Analysis
- Organizational Planning and Analyses
- Military Training Support
- Studies and Analyses

Operations, Training and Exercise Highlights

- Veteran/civilian/retired/military personnel who develop scenarios, serve as observer/controllers for events, and provide vital feedback on unit performance
- Our personnel have unique, military-related education, and experiences in the critical specialty of modeling and simulation including the models developed by the Defense Threat Reduction Agency for Chemical, Biological, Radiological, Nuclear, and high Explosive (CBRNE) simulations such as Hazard Prediction Assessment Capability (HPAC)
- Providing training for operational planning staffs of deploying Marine combat units
- Our personnel support curriculum development for Marine advisors assigned to Iraqi and Afghan military units
- Our team of experts provide platform instruction for the Army Logistics University as well as the Army Quartermaster School, Ordnance School, and Transportation School

About APOGEE SOLUTIONS

Founded in 2002, APOGEE SOLUTIONS is an 8(m) Economically Disadvantaged Woman-Owned Small Business (EDWOSB) that provides consulting and professional, technical, and program management services to the U.S. Government and private sector organizations.
